SUBJECT: Application for CG & Motion Designer Position

Dear Hiring Manager's, 

I am excited to apply for the CG & Motion Designer position. With a strong background in 2D/3D animation, motion graphics, and visual storytelling, I bring a unique blend of creativity, technical expertise, and attention to detail to every project. My passion for delivering high-quality visual content makes me a strong fit for your team.

As a freelance designer with over 6 years of experience,  I have worked on diverse projects, including branding, advertising, gaming content, and explainer videos. Some of my key achievements include:

- Creating 200+ hand-drawn illustrations in various styles for clients in Los Angeles.
- Designing anime-style T-shirt prints for international brands.
- Maintaining a 4-year contract with a U.S. client, producing 5-8 high-quality T-shirt prints per month.
- Developing engaging motion graphics and animated assets for marketing campaigns.

I am proficient in Adobe Creative Suite  (After Effects, Photoshop, Illustrator, Premiere Pro, Character Animator), Maxon Cinema 4D, and Blender (learning). Additionally, my ability to adapt quickly, communicate effectively, and work collaboratively allows me to deliver results that exceed expectations.

I am eager to contribute my creative skills and technical expertise to your team. I would love the opportunity to discuss how my experience aligns with your team vision. Please find my portfolio attached for your review. I look forward to the possibility of an interview.

 Thank you for your time and consideration.

Best regards,
Angelina
