WORK Experience

2019
present

Freelance CG & Motion Designer

Delivering creative solutions in motion graphics, animation, and digital design for a global clientele.

- Created 200 illustrations in different styles for clients in Los Angeles, mimicking traditional painting techniques.
- Designed anime-style T-shirt prints for various brands.
- Maintained a 4-year contract with a U.S.-based client, producing 5-8 unique T-shirt prints per month.
- Developed branding and animated assets for advertising campaigns and gaming content.

Education

Sep 2013
Jun 2017
